Dear Trevor

RE: Code of Practice for the Pastoral Care of international students

The Administrator for the Code of Practice for Pastoral Care of International Students [the Code] has received a copy of an on-site audit report from your New Zealand Qualifications Authority (NZQA) auditor following your recent audit on 15th May 2007.

NZQA is contracted by the Code Administrator to audit for compliance with the Code.

The Code office is sure that you and your staff are very pleased with the report which confirms that all requirements were met.

This is an excellent result and demonstrates your commitment and responsibility for the welfare and safety of international students. It is vitally important when students come from other countries to study in New Zealand that these students are well informed, safe and properly cared for.

Congratulations on maintaining high professional standards and best wishes for the future.

Yours sincerely,

Jim Sinclair

Code Administrator
